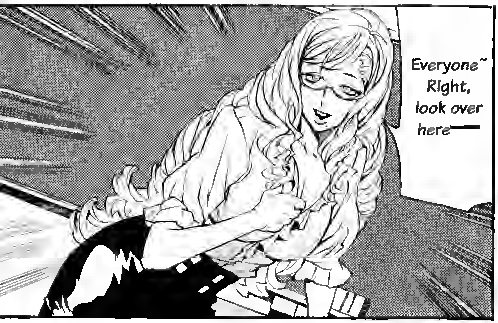
Round 4 Sweet Failure

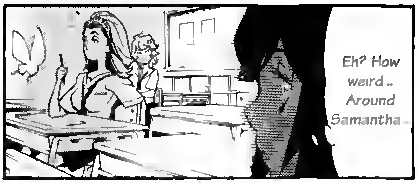
To her, 'intelligence' and 'lust' have an inseparable relationship.
TAP TAP TAP
The true essence of intelligence is Eros. She knows how to use them together, interacting them like the way the left and right sides of the brain do.
The unrivalled genius who ushered in the twentieth century——
She insistad on being your exam invigilator* for today.
She haa come here on an unexpected visit while doing research on Okinawa..
She has reached the most extreme right of homo demens, a level that was entirely beyond the comprehension of ordinary people.
Ah~ Did she jus' call us retards~?
That's real harsh, ya know?
Pleased to meet you idiots, teehee.
She is...
Samantha Orlenshaw-sama♡

*Invigilator: Someone who watches examination candidates to Prevent cheating, used in the U.K.

WHY?!
THUMP THUMP [heart racing]
Why's this woman here——?
Was that a premonition..?
It's a dream after all.
Through the look-
SPARKLING
Dennis
I... might be haunted by this woman as well~
This sucks~!
Samantha-sensei is a world-famous anthroplogist.
So everyone, be polite, okay?
Wow~ This Samantha person's a super genius~~
KYAHAHAHA
Yes. And now that I've got a better look at her, she's a real beauty
PUNCH!

All righty, let's begin—
Ah, haha... No way, geez—
NO WAY, NO WAY
Huh,
You know her, Dennis?
It's your call, upside-down monster—
Ugh~~ I suck at Maths~
SWISH
Eh?
Eh?
Then I'll be borrowing your body
SCRIBBLE
SCRIBBLE
SCRIBBLE
SCRIBBLE
MY... MY BODY'S MOVING ON ITS OWN!
A woman's life





T/N: strictly speaking, rabble of butterflies' but eh, can't magine her saying it

T/N (this is where the weird really kicks in > >

BOING!
If you have to repeat the year, then you're going to get a circumcision, 'kay? ♡
Teehee ♡

Goodness, looks like we'll get along rea—l good
Geez
I totally can't do this exam 'cause of her.
Does it feel mammoth?
Samantha, this is like, totally wicked——!
It's Samantha Sabbaath*'s custom made penis sheath.
The two of them
POP
Awe""some, this is totally like a thermos flask.

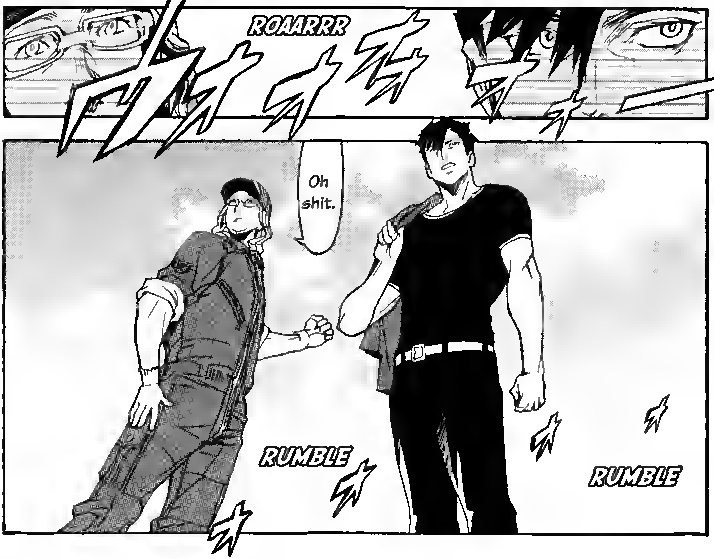
It's fine, Second Lieutenant. I was the one who made the request, so please, there's no need to get so worked up about it.
And to make matters worse, I needed your help in picking up all those stones... I'm such a bastard.
Sorry, Chris, I couldn't keep up my end of the promise...



ROARRR
Oh shit.
RUMBLE
RUMBLE

SCRAMBLE!!
SCRAMBLE!!
A CHINESE AIRCRAFT HAS TRESPASSED INTO THE TRAINING AIR-SPACE—
Yeah, the Sukhoi Su-27* ignored our warnings.
Brian, hurry up and get ready
CLAP
Eh? Me?
*Sukhoi Su-27 http://en.wikipedia.org/wiki/Sukhoi_Su-27
THERE'S THE FIRST LIEUTENANT'S PLANE ON STAND-BY IN THE ALERT HANGER!
it's a request from the SDF.
SDF Japan Self-Defence Forces
Brian these are the skies you dream of—
WHINE
This is another one of those missions to protect the peace in the Far East.
Supposing they tried to strike down the fighter craft.... The Sukhoi's superior mobility compared to the SDF's Phantom means that they've got no hope of winning in a dog fight

ROAAAAR
It's a real pleasure to be flying with an ace pilot like you,
FIRST LIEUTENANT ANDERSSON!
Hey now.
Lieutenant Colonel Carradine was the one who nominated you to be the wingman. Looks like he puts great faith in you.
The Lieutenant Colonel?
RUMBLE

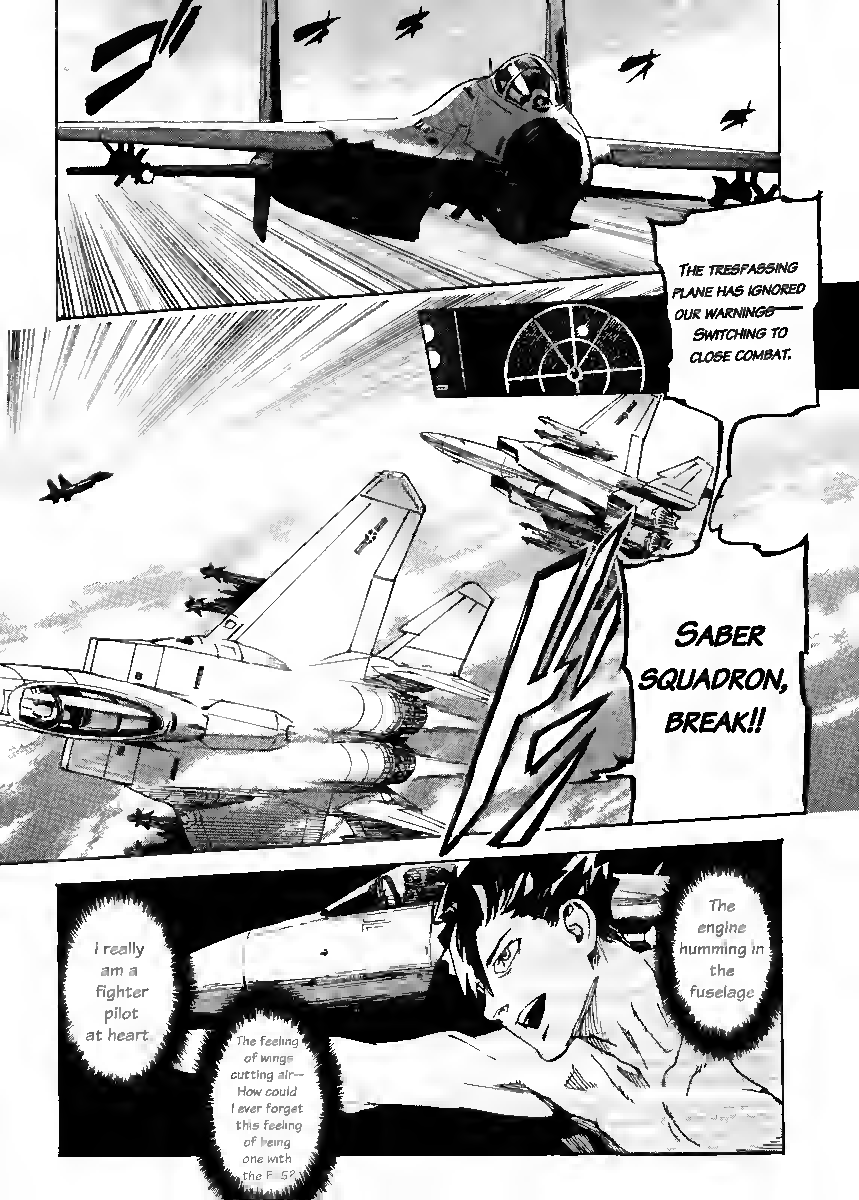
Hey,
Second Lieutenant.
So you're gonna play with the geisha, once the mission's over?
Y-... Yes, sir.
SHIIIIIT! THE MOOD TURNED SOUR—!
But still, people need breaks, don't they?
ANYONE WHO ATTEMPTS TO FIND AND NAB THE "LEQUIOS" CEED WILL HAVE TO HIDE THEMSELVES AT THE PENTAGRAM.
Second Lieutenant, isn't that a little too hardcore for a break?
TARGET CAUGHT ON RADAR. SABER TWO, READY TO ENGAGE!

*T/N: what this random sentence is doing here is anyone's guess.

Next is English. It's my forte, so be good and stay out of this, you hear me?!
I'm not joking around here. You're gonna start filling in nonsense again!
I'll restrain myself.
Scribble scribble
Noo~~~~ You idiot, stoooop~~

Handwriting: it's a bunch of nonsensical kanji, some of which aren't even in Japanese dictionaries lol

I DON'T UNDERSTAND WHAT YOU'RE WRITING, BUT IT'S DEFINITELY SOME SORT OF CURSE, RIIIGHT——?!
SLAP
COME ON, GIRLS, BACK TO YOUR SEATS. YOU SHOULD LEARN FROM DENNIS——!



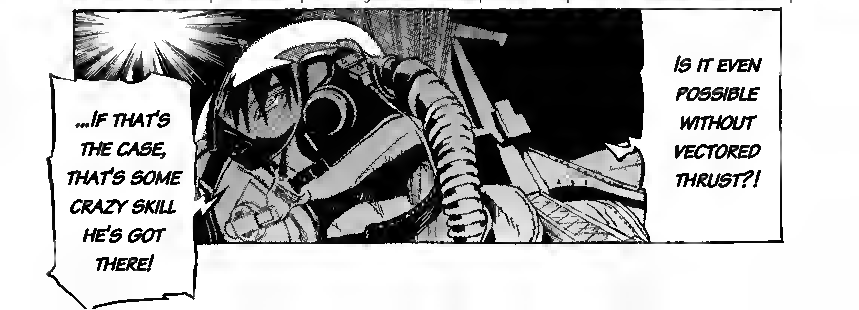
THE TRESPASSING PLANE HAS IGNORED OUR WARNINGS— SWITCHING TO CLOSE COMBAT.
SABER SQUADRON, BREAK!!
The engine humming in the fuselage
I really am a fighter pilot at heart
The feeling of wings cutting air— How could I ever forget this feeling of being one with the F-15?

Brian, don't get ahead of yourself.
BEE BEE
I'VE GOTTEN HIS BACK, LOCK ON!
THIS IS RETRIBUTION FOR BARGING IN ON OUR ISLAND WITHOUT PERMISSION!
GOOD BYE!
AN EAGLE WILL NEVER LOSE TO A CRANE!!
SABER TWO, FOX TWO!
PWHOOOSH
?!
It's cutting its speed abruptly?

IT EVADED THE MISSILE...!!
IT'S CUTTING SPEED AND PULLING UP ITS NOSE. SO IT'S THAT MANEUVER!!
BY THAT TINY MARGIN!!
THIS MANEUVER
IT'S THE COBRA*?!?

*Pugachev's Cobra: Pitching up the plane body to near 120° angle of attack without any change in direction or altitude, then returning back to the horizontal position
[]More info at: http://en.wikipedia.org/wiki/Pugachev%27s_Cobra

*Unlike the Cobra, the nose of the plane does not tip forward again from the Cobra position, but loops backwards to return to its horizontal position.



SPLASH
VROOSH
ZOOM

Watch out, Saber 2. He's tracking you on radar.
SHIT! HE GOT BEHIND ME!!
Thank you so much for your help, First Lieutenant.
But even though I got a lock on him...
My missile didn't score a hit... what's that about?
BEEEEEP
WARNING
I CAN'T SHAKE HIM, HE'S GOT A LOCK ON ME!
RATATATATATAT
SWOOSH

Someone's tapped into our air defence wireless air band——
The trespassing plane got away! It didn't even break a sweat
Looks like the People's Liberation Army and the US Air Force finished their face-off.
It doesn't seem they had any intention of striking us down...
Hear for your self...
China came up top.
So we were played for, huh..
So that was the F-15 Eagle people say it's invincible?
Roger
I'll end my tropical tour.

Don't get too down, partner!
We ended our mission safely.
DAMN IT!!!!
Now then, uphold your end of the promise
